

These rules apply to the City Streets in Bermuda Beach and all Public Beach areas.

Violations will result in a maximum fine of \$500.00 Residents & Guests should use the roads or walkways to access the beach.

This is a residential community that happens to be located on the coast. In the City you wouldn't think of crossing through someone's front or backyard to get where you are going. The same "code of conduct" that you use in your neighborhood at home applies to Bermuda Beach. Respect for private property is appreciated.

Bermuda Beach is in the City. City ordinances for subdivisions and building codes do apply. **NO MOTORIZED VEHICLES** are allowed on the beach except at the Pabst Rd. access area and parking lot. You may not drive down the beach to launch or pick up a boat. This must be done within the pilings at the Pabst Rd. access area. Beach access at Pabst Rd. & Bermuda Beach Dr. Parking & Boat Launch

All home owners in Bermuda Beach contribute to the upkeep of this public beach and dune area, in addition to the normal taxes being paid by everyone. The dune vegetation is a critical element in keeping the beach in "useable" condition for everyone. Anyone seen driving on the beach will be reported by a homeowner to the local police. Homeowners may take photographs of license tags and file a complaint with the police.

Trash
